

## CLIENT RESPONSIBILITY FORM

**The Flower Essence System of healing is NOT a substitute for conventional care or treatment. The essences should not be used to treat a serious ailment without prior consultation with a qualified healthcare professional.**

Linda Cohen is not a medical doctor, psychiatrist, psychotherapist, nor psychoanalyst. She does not attempt to give any medical diagnosis, treatment, prescription or suggestion(s) for specific conventional medications in relation to physical disease, pain, injury, deformity, nor any other medical condition. In all cases, the client takes full responsibility for his/her health and healing process.

Flower essences are non-toxic and do not interfere with other treatment modalities. Furthermore, the client is urged and supported in taking total responsibility for his/her health and well being. Linda Cohen will act as a guide and teacher using flower essences as a holistic tool which may help the client in supporting optimum health and personal growth.
